Gabriel Del Toro, 14, and Manuel Gomez, 15, from the Lyons Community School, create wall installations in the Danny Simmons' Corridor Gallery as part of the upcoming exhibition "Transformers," opening Sunday from 4 to 7 p.m., at 334 Grand Ave., Brooklyn. In "Transformers," multi media artists Sonya Clark and David Ellis use everyday objects, such as black combs and empty paint buckets, to create installations that explore race, gender and social issues. That helps increase click-throughs for everyone, and minimizes copyright issues. So please keep posting, but not the entire article. arturc at att.net
